

Child Protection and Safeguarding Policy Statement

The Samurai Centre acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance [Working Together to Safeguard Children 2018](#) and complies with best practice requirements based upon those recommended by the NSPCC & CPSU.

- have a positive and enjoyable experience of martial arts at the Samurai Centre in a safe and child-centred environment.
- are protected from abuse whilst participating in the activities and tuition provided by the instructors/volunteers/assistants and staff at the Samurai Centre or outside such activities.

Samurai centre Staff acknowledge that some children, including disabled children, young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

As part of our safeguarding policy the Samurai Centre will:

- promote and prioritise the safety and wellbeing of children and young people.
- ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people.
- ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern.
- ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored.
- prevent the employment/deployment of unsuitable individuals.
- ensure robust safeguarding arrangements and procedures are in operation.
